We are excited for photo day on May 28th and 29th, 2026! We take great pride in capturing wonderful images and delivering high quality products. Please check with your studio for your dancers scheduled time & day. Also, take some time to look through our website and see for yourselves what we love to do!

**Your dancer(s) must check in at the Aspire photo table on picture day. Your dancer will be “Matched” with their name and parent/guardian information (email/text) provided by your studio.**

**Even if you’re not planning to purchase photos, we kindly ask that every dancer still participates in the group photo for their instructor. These images are used for memories, marketing, and studio displays, plus, it’s a fun group photo with friends!**

**\*Parents are encouraged to be present during the photo session to see poses as the photographer is taking photos of your child with a LIVE VIEW software app on our tablets.**

**Within 2 weeks, you will receive an email/text message inviting you to view, and order from your dancers personal online gallery! You will have 2 weeks afterwards to order photos with free shipping to your a dancer’s studio.**

**We will be using the contact information/email that is on file with your studio, so check your SPAM folder in case you haven’t seem any emails about photo day.**

**-Please have your dancer competition ready for photos. It’s the little things that matter (perfect hair, make-up, clean shoes/feet, uniforms/costumes, etc). Trust us when we say this!**

**NO PAYMENT IS REQUIRED ON PICTURE DAY  
EVERYTHING IS ORDERED ONLINE AFTER THE PHOTOS ARE UPLOADED TO THE  
ORDERING SITE**

Please feel free to call, email, or take a look at our FAQ at the link above, if you have any questions prior to or after picture day!

Sincerely,
